MuleSoft

Wrapping Up the Course

Objectives

MuleSoft

- Take the class survey
- Know where to go from here
- Get certified!

2

Take the class survey

Class survey

MuleSoft

- You should have received an **email with a link to the class survey**
  - Your instructor can also provide the direct link
    - http://training.mulesoft.com/survey/{*surveyID*}.html
  - Or you can go to a general page and select your class
    - http://training.mulesoft.com/survey/survey.html

- **Please fill the survey out now!**
  - We want your feedback!

4

Where to go from here

Review and reinforce course content

 MuleSoft

- Step through the **student manual** on your own

- Watch **course videos**

- Complete the **DIY exercises**

- Complete the course **assessment quiz**

3/7/18

Use supplemental course materials in MuleSoft.U Development Fundamentals course

MuleSoft

- **Course videos**

- **DIY exercises**
  - Do-it-yourself exercises to get practice applying the knowledge obtained in class
  - There are one or more exercises for each module
  - A ZIP containing all the exercises, starting files, and solution files is located under the Course Resources
  - Each module also contains a PDF of the DIY exercises for that module

- **Assessment quiz**
  - Can help identify areas for which you are stronger or weaker
  - 65 multiple-choice questions, 5 for each course module
  - Located at the end of the MuleSoft.U course
